Evidence of Coverage

Refer to Key Terms for the definitions of you, your, we, us and our, and words that appear capitalized. This EOC is subject to the Legal Disclosures set forth below.

A. To get coverage:

You must charge the full amount of a Covered Trip to your Covered Card or in combination with your Covered Card and accumulated points on your Eligible Account or redeemable certificates, vouchers, coupons, or discounts awarded from frequent flyer program or similar program.

B. Covered Losses:

Covered Losses include Trip Cancellations or Trip Interruptions that result from Accidental Bodily Injury or loss of life or Sickness of either the Eligible Traveler, Traveling Companion or a Family Member of the Eligible Traveler or Traveling Companion.

C. The kind of coverage you receive:

Trip Cancellation

We will reimburse you for the nonrefundable amount paid to a Common Carrier with your Covered Card if a Covered Loss causes an Eligible Traveler's Trip Cancellation, subject to the cancellation provisions in effect at the time the Common Carrier is notified of cancellation.

If a Physician advises the Eligible Traveler that a Covered Trip is medically inadvisable, the Eligible Traveler must immediately notify the appropriate Common Carrier of his or her Trip Cancellation after receiving such medical advice. If the Eligible Traveler does not provide such notification, our payment will not exceed the cancellation penalties imposed by the Common Carrier and in effect during the forty-eight (48) hour period immediately following the Physician's notice that travel was not advisable, subject to any other limits set forth herein.

Trip Interruption

If a Covered Loss causes an Eligible Traveler's Trip Interruption, we will reimburse you for the nonrefundable amount paid to a Common Carrier with your Covered Card for the following:

1. The forfeited, non-refundable, pre-paid land, air and sea transportation arrangements that were missed; and
2. Additional transportation expenses that the Eligible Traveler incurs less any available refunds, not to exceed the cost of an economy-class air ticket by the most direct route for the Eligible Traveler to rejoin his or her Common Carrier Covered Trip or to return to his or her place of origin.

If a Covered Loss causes an Eligible Traveler to temporarily postpone transportation by a Common Carrier for a Covered Trip and a new departure date is set, we will reimburse you for the following:

1. The additional expenses incurred to purchase tickets for the new departure (not to exceed the difference between the original fare and the economy fare for the rescheduled Covered Trip by the most direct route); and
2. The unused, non-refundable land, air, and sea arrangements paid to a Common Carrier with your Covered Card.

Term of Coverage

Coverage begins on the date the Covered Trip was purchased and ends immediately at the time the Covered Trip is completed.

An Eligible Traveler's coverage terminates on any of the following dates: The date the Eligible Traveler is no longer eligible to participate; the date the Eligible Account is determined to be ineligible by the participating organization; the date the participating organization ceases to pay premium on the Group Policy; the date the participating organization ceases to participate in the Group Policy; or the date the Group Policy is terminated.

Coverage Limitations

The maximum benefit amount is \$2,000 per Covered Trip and \$5,000 per Eligible Account per 12 consecutive month period.

Coverage is secondary to and in excess of any other applicable insurance or benefit available to the Eligible Traveler including benefits provided by the Common Carrier, such as exchanged tickets, drop in ticket prices, goodwill payments, refunds, credits, or vouchers. In no event will this coverage apply as contributing insurance. This "non-contribution" clause will take precedence over the "non-contribution" clauses found in other insurance or indemnity language. Coverage is not available in states where prohibited.
